

Stay informed. Stay in control. Total Connect® 2.0

Smart security, video & automation in one app

Whether you're at home, at work, or on the go, Total Connect 2.0 keeps you connected to what's happening—so you can make informed decisions and manage your home with confidence.

Get real-time alerts

Know when doors open, motion is detected, or someone disarms the system.

Check in anytime

View live video or past events from First Alert® VX Series Video Doorbell and Cameras.

Control your home remotely

Adjust lights, thermostats, locks, and garage doors from your phone.

Create custom automations

Set schedules and scenes to match your routines—like turning off lights at bedtime or unlocking the door for a delivery.

Installed by a Pro. Designed for you.

Your independent local security professional will set up your system and walk you through the app—so everything works the way you want it to from day one.

Your home, your way

One app. Many possibilities.
